

Open Season is Here!

Do Not Use Aetna as Your Health Insurance Carrier

This authentic Aetna slave policy helped finance slavery in America. A lawsuit is pending demanding that Aetna pay restitution for enslaving hundreds of innocent children, women, and men. Blacks in Government (BIG) passed a resolution demanding that Aetna create a Trust Fund to benefit slave descendants. Show your support for justice!

For more info. contact Restitution Study Group: (917) 365-3007
